Freshman

Short-Term

For this PLP, I decided to learn how to play the guitar. I wanted to learn all the basic chords I would need to play most songs (C, Am, F, G). Finally, I wanted to learn to play two basic songs, which I performed at my final demonstration of learning.

## Timeline

Milestone 1: Learn to tune a guitar.

Milestone 2: Learn the four chords in a 4 chord song (C, Am, F, G)

Milestone 3: Practice playing the chords in quick succession.

Milestone 4: Play an entire song start to finish.

Rubric Criteria	Score	Teacher Comments
Knowledge of Chords	5 / 5	Very nice! Even learned a bar chord!
Fluidity of Chord Switching	4 / 5	A little halting at times, but overall very good!
Performance Value	5 / 5	Perfect! Very enthusiastic
Matching Tempo of Chords and Lyrics	3 / 5	Could use a little more work, but very good effort!

## Final DOL

For my final DOL I performed two 4-chord songs for my teachers and friends. I sang "I'm Yours" by Jason Mraz and "Hey Soul Sister" by Train. Watch the full video below!
